ABOUT THE COLLEGE

St. Martin's Engineering College, an Autonomous Institution, situated in an eco-friendly environment, with state-of-art infrastructure. College has achieved the prestigious grade A+ from NAAC, UGC Paramarsh mentor, NBA accredited, ISO certified, DSIR Recognition, Remote center of IIT Bombay, Member of CII and MSME certified Institution. Signed more than 82 MoUs with major companies' and institutions.

Careers 360 Certified as AA+; Competition Success Review Ranked 3 out of 20; Career Connect Ranked 13 'Best Engineering Colleges of India and Wikipedia Ranked 8th in Telangana. The college is bestowed with the glorious Governor Award twice; The Engineering Educators' Award 2019; NIRDP Award (Govt. of India); IDF Best Partner Award; Dewang Mehta Award; TCS ION Award; CSI Award(Students Chapter); Best Innovation by Federation of Gujarat Industries and Street Cause-Most Dedicated Division. Best Sports College by Stumagz, Telangana, National Leadership Excellence Award- 2019 by ICCI.

The remarkable achievement by the faculty members of the college is that they have published 148+ books, 8800+ research papers, 161+ patents, 28+ copyrights and 40, 000+ international certification courses. The crowning glory in academic excellence was achieved by bagging gold medals from University every year. 138 innovative products are developed by students and faculties. SMEC has a strong vision of offering world class training to the promising engineers and Management professionals. SMEC is situated in an eco-friendly environment, the college has the best infrastructure. 100% ragging free campus.

CONFIGURATION NEWSLETTER

ABOUT THE DEPARTMENT

The department of CSE has commenced right from the inception of this college in 2002 with an intake of 60 and subsequently increased its intake to 240 by 2012. The department has well equipped laboratories with latest configuration systems and updated licensed softwares were installed. The department also provides a R&D lab with an internet connection of 36 systems for staff and students to take up their research work.

The department also has a tie up with various Multi National Companies which offers training in latest technologies, placements and internships. The faculty has authored 30 books, published 74 patents and papers in SPRINGER, IEEE & SCOPUS index journals and conferences.

The department got approval with Honors degree and JNTUH affiliated research and development center.

VISION

To evolve the department of Computer Science and Engineering as a center of academic excellence with latest technologies to transform students into innovative global leaders.

MISSION

-  M1: To produce competitive graduates having creative skills and ethical values to succeed in their fields as well as the foundation for life-long learning.
-  M2: By promoting research and development activities in collaboration with reputed industries and laboratories.
-  M3: To analyze design, and develop high-quality software systems using the appropriate theory, principles, tools and processes.

PROGRAM EDUCATIONAL OBJECTIVES

-  PEO 1: To apply engineering processes and practices to software and hardware systems skillfully and efficiently.
-  PEO 2: Ability to understand and analyze engineering issues in a broader prospective with ethical responsibility.
-  PEO 3: To prepare students to fit into any industry associated with developing and implementation of software products or technologies.
-  PEO 4: To equip the graduates with ability to analyze, design and test the novel products.

CONFIGURATION NEWSLETTER

EDITOR IN CHIEF

Dr. P. SANTOSH KUMAR PATRA
Group Director

Dear all,

Greetings from St. Martin's Engineering College.

It is a pleasure to present the newsletter of Computer Science and Engineering department for the academic year 2023-2024. It is a matter of great pride and satisfaction for 'St. MARTIN'S ENGINEERING COLLEGE (AUTONOMOUS)' to bring out the newsletter 'CONFIGURATION' released from the Department of Computer Science and Engineering. The college has made a tremendous progress in all areas academic, non-academics, capacity building relevant to staff and students. The college has achieved another milestone in getting NBA (National Board of Accreditation), NAAC A+, AUTONOMOUS, NIRF, ARIIA. I am confident that this issue of department newsletter will send a positive signal to the staff, students and the people who are interested in the technical education and technology based activities.

A newsletter is like a mirror which reflects the clear picture of all sorts of activities carried out by a department and develops writing skills among students in particular and teaching faculty in general. The ways we teach and the ways our students learn are unique and creative. Many critics would confirm that the college has substantially contributed to the process of national development by providing quality education and thereby enabling the students to become globally competent engineers.

I congratulate the editorial board and designer board of this newsletter who have played wonderful roles in accomplishing the tasks in record time. I express my appreciation to Dr. R. Santhoshkumar, HOD/CSE under whose guidance this technical work has been carried out and completed within the stipulated time. We have excelled in every initiative that we undertook and we have stood together in facing the challenges in realizing the quality education. I also convey my heartfelt congratulations to staff members and students for their fruitful efforts.

CONFIGURATION NEWSLETTER

PRINCIPAL MESSAGE

Dr. M. SRINIVAS RAO
Principal

As we embark on a new year filled with promise and potential, I extend a warm welcome to each of you by our Newsletter - "Yanthrik". The Department of Mechanical Engineering's journey towards excellence in education continues. I am thrilled to witness the dedication and enthusiasm that our students, staff, and parents bring to our learning community. As we navigate the challenges and celebrate the triumphs ahead, let us remain steadfast in our commitment to fostering a nurturing and innovative environment where every individual can thrive. Let's embrace the opportunities for growth, collaboration, and success this year holds. Thank you for your unwavering support, and I look forward to another year of inspiring achievements.

CONFIGURATION NEWSLETTER

HOD MESSAGE

**Dr. R. Santhoshkumar,
Associate Professor & HOD,
Department of CSE,
SMEC**

I am very pleased to note that our department's newsletter "CONFIGURATION" is appreciated very well. The newsletter invites a wider readership to the institution. My heartfelt congratulations to the designer team and editorial team. The academic year of 2023-24 has been full of exciting activities for the students and faculty members in the department of Computer Science and Engineering at St. Martin's Engineering College (Autonomous).

The name and fame of the department and the institution depend on the calibre and achievements of the students and faculty members. We continued to excel in teaching, research, and service activities. We also published a good number of quality papers in high-impact factor international journals, performed good consultancy work, and were also involved in joint collaborative projects to strengthen research in diverse areas. I wish to record my hearty congratulations to those who have brought laurels to the department, appreciate all of you for working together as a team. Let this newsletter be a forum to exhibit the potential of students and faculty members with their literary skills and innovative ideas.

This newsletter will encompass all important events and activities of our department. Additionally, it also provides a platform to recognize and congratulate our department's achievers. Exploring hidden talents from the students' side and providing remarkable insights into the world of technology has been the main motive behind the newsletter. We feel extremely privileged to provide a platform where our students can present not just their artistic flair but also their technical quotient.

Thereby I encourage all the students to actively participate and contribute to our very own newsletter. I hope this initiative builds teamwork and inspires young minds by providing larger visibility and dimension to our department. I hope this culture of releasing newsletter continues forever.

FACULTY AND ALUMINI MESSAGE

FACULTY MESSAGE

Dr. M.Vadivukarassi
Associate Professor

Dr. M. Vadivukarassi, has been working as an Associate Professor in the Department of Computer Science and Engineering, St. Martin's Engineering College, Dhulapally, Kompally, Secunderabad, Telangana, India from January 2022 onwards. She has received her Ph.D (Full Time) degree in the CSE, Annamalai University in the year October, 2019. She received her M.E. degree in the Department of CSE, Annamalai University, Tamil Nadu in 2013. She received her B.Tech in the Department of CSE from Pondicherry Engineering College, Affiliated by Pondicherry University, Puducherry, in 2006. She has 5+ years of teaching experience and 4+ years of Research experience. She has published 20 research papers in reputed international journals, 2 Book chapters, published 13 patent and also presented 18 papers in the national and international conference proceedings. She has organized 2 International Conferences, 1 guest lecture and 1 faculty development Programme. She has acted as a reviewer in more than 5 reputed peer reviewed journals. Expertise on various E-learning platforms has enabled to assist for successful conducting of more than 5 webinars/video-meetings. Her research interest includes Medical Image Processing, Image Retrieval, IoT and Social Media Mining.

ALUMNI MESSAGE

I'm Yasarapu Geethika, 2023 CSE- A section, currently working in as Team Lead at AMAZON with 7LPA package. Where I have learned AWS services, data science and python, programming languages. I got offered in 4 companies. To juniors, would like to wish all the very best and always engage in learning

Ms. Yasarapu Geethika Batch:
2019-2023 SMEC

THE SOUTH INDIA TIMES
Lustre of the South

Braino Vision Solutions company that has given training to about 29 thousand people in 5 days in teaching topics

Braino Vision Solutions is a company that has given training to about 29 thousand people in 5 days in teaching topics to the teachers working as faculties in about 400 colleges across the country and got a place in the India Book of Records..Brain O Vision founder and CEO Ganesh Nag said in a press conference held afterwards.For the first time in the country, in order to give the necessary training to the teachers working in the engineering colleges to excel in teaching aspects, under the auspices of Braino Vision, about 29 thousand people working in the 400 engi-

neering colleges of the country were given this training for 2 hours a day for five days. He said that this type of training is the first of its kind in the country. Ganesh Nag expressed happiness that it has made a place in the India Book of Records. India Book of Record Judiciary Dr. Vasudha Ashok said that this is the first time in the country that such a large-scale training has been given to faculties in engineering colleges, and it has made a place in the India Book of Records. Teachers and representatives of Braino Vision organization participated in this program.

Dr. P. Santosh Kumar Patra
Dr. R. Santhosh Kumar
Ms. Afreen Begum
Mr. V. Sathish

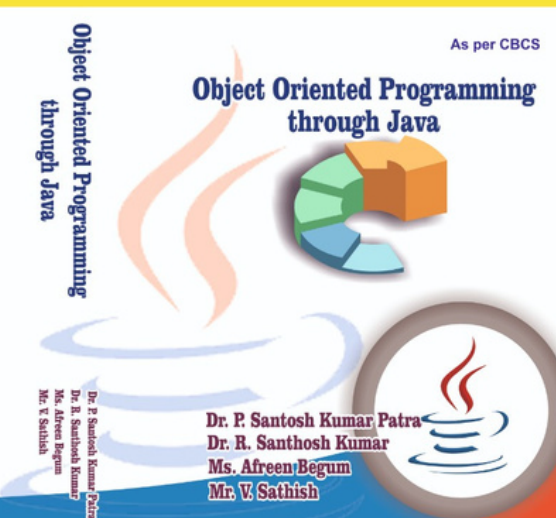

About the Authors

Dr. P. Santosh Kumar Patra is holding B.E., M-Tech & Ph.D in Computer Science and Engineering Degree. He has received continuously FOUR times "GOD FERDIE AWARD from Governor of Telangana", "Rajiv Gandhi Award", "Rajiv Gandhi Award", "Thonacharya Award", Young leader of the year & IBAE International Award, Dubai. In his crowning glory he has achievements like publishing 135 patents and his 12 patents are selected by different companies for commercialization. He has published 75 books and more than 108 international & national research papers, 28 magazine article & 188 newspaper coverage. Adding further to his believe recently, he is the only one from Telangana to receive the most prestigious Award named "National Happiness Unicorn Award" from Chairman of AICTE.

Dr. R. Santhosh Kumar, presently working as Associate Professor and HOD in the Department of Computer Science and Engineering, St. Martin's Engineering College, Dhulapally, Secunderabad. Obtained B.E. (IT) and M.E. (CSE) degrees from Annamalai University in 2013 and 2015 respectively. He has received his Ph.D (Full Time) degree in the CSE, Annamalai University in 2020. The thrust area of research includes Image and Video Processing, Artificial Intelligence, Internet of Things. Has the credit of publishing 25 research papers and attending 30 National and International Conferences, 5 books and 15 patents. He has organized 2 International Conferences, 2 workshops and 1 faculty development programmes. Besides, the academic pursuit including of training the young aspirants on Python Programming with Deep Learning concepts, in useful books with basic software. Expertise on various E-learning platforms has enabled to assist for successful conducting of more than 30 webinars/video-meetings with 3 months during the COVID-19.

Ms. Afreen Begum, working as Assistant Professor in the Department of Artificial Intelligence and Data Science (AI&DS), St. Martin's Engineering College, Dhulapally, Kompally, Secunderabad, Telangana, India from March 2023. She has completed Master of Technology in the Department of Computer Science & Engineering from Sharda Women's College of Engineering and Technology in 2021. She has 2 years of Teaching Experience. She has published 3 papers International Journal and presented 3 papers in international conferences. She got certified by simple learn as Data Scientist in 2021. She has attended various Conferences, workshops, seminars and faculty development programmes.

Mr. V. Sathish, working as an Assistant Professor in the Department of Computer Science and Design (CSD) in St. Martin's Engineering College Secunderabad, Telangana. He has 10+ Years of experience in teaching and 5 years of experience in Research. He has published around 8 papers in International and national Journals and conferences, he also published 3 patents presented more than 10 papers in international conference and Two Book Chapters. He Produced more than 90 percent result for past 4 years. He Received Best Senior Faculty Award in Academic Year 2021-22, 2022-2023. His research interests include Artificial Intelligence, Deep Learning, Cognitive Architecture, Humanoid Robotics, Cyber Security, Machine learning, Security issues Internet of Things.

About Authors

Dr. P. Santosh Kumar Patra is holding B.E, M-Tech & Ph.D in Computer Science and Engineering Degree. He has received continuously FOUR times "GOVERNOR AWARD from Governor of Telangana", "Rastriya Gaurav Award", "Rastriya Vikas Ratan Award", "Dronacharya Award", Young leader of the year & IBAE International Award, Dubai. In his crowning glory he has achievements like publishing 135 patents his 12 patents are selected by different companies for commercialization. He has published 75 books and more than 108 international & national research papers, 28 magazine article & 138 newspaper coverage. Adding feather to his believe recently, he is the only one from Telangana to receive the most prestigious Award named **National Happiness Unicorn Award** from Chairman of AICTE.

Dr. V. K. Senthil Ragavan, currently working as Professor and Head in the Department of Information Technology of **St. Martin's Engineering College**. He has completed B.Sc., MCA, M.Phil., M.E. CSE and Ph.D. CSE. He has 24 years of experience. He has published several papers in peer-reviewed, SCI, Scopus, WOS & UGC indexed journals, and he is the author and editor of five books. Also, he is a life member of ISTE, IEEE, IETE and SPIE. He is a Fellow of IEI (FIE). He is a reviewer of three international journals. He has Received "Best Teacher Award" in the year 2004, "Best Project Award" in the year 2010 and "Gurukul Academic Awards for Teaching and research Excellence" in the year 2022.

Dr. M. Vadivukarassi, has been working as an Associate Professor in the Department of Computer Science and Engineering, **St. Martin's Engineering College**, from January 2022 onwards. She has received her Ph.D (Full Time) degree in the CSE, Annamalai University in the year October, 2019. She received her M.E. degree in the Department of CSE, Annamalai University in 2013. She received her B.Tech in the Department of CSE from Pondicherry Engineering College in 2006. She has 5+ years of teaching experience and 4+ years of Research experience. She has published 18 research papers in reputed international journals, 2 chapters, published 3 patent and also presented 18 papers in the national and international conference proceedings.

Mr. C. Yosepu working as Associate Professor in the department of Computer Science and Engineering, **St. Martin's Engineering College** from July 2010 onwards. He has 16 Years of experience in teaching. He has published around 15 papers in International and national Journals and conferences. He also published 2 patents. He has organized various workshops, seminars and faculty development programmes. He has received a Best Teacher award in September 2016. His research interests include Big Data Analytics, Data Mining, Cloud Computing, Machine learning and Internet of Things.

Mr. G. Sathish is working as an Assistant Professor, Department of Information Technology in **St. Martin's Engineering College** since March 2022. He blends his background in Information Technology and in Computer Science and Engineering with high research insight. In 2011 he received B.Tech degree in Information Technology from TRR Engineering College and added another feather to his cap by completing M.Tech in Computer Science and Engineering from Narsimha Reddy Engineering College. He is Pursuing Ph.D from Sri Venkateswara University at Ulsara Pradesh. He is having 9+ years of Teaching Experience. Area of Interest AI & Machine Learning, Cloud Computing & Network Security.

SPONSER RESEARCH

RESEARCH PROPOSALS

Department of CSE faculty members have applied for MSME 3.0 for women Innovators.

The idea Hackathon 3.0 scheme for women innovators is launched on June 27, 2023, to promote and support untapped creativity and to promote adoption of latest technologies in MSMEs that seek the validation of their ideas at the proof-of-concept level. The scheme also supports engagement with enablers who will advise such MSMEs in expanding the business by supporting them in design, strategy and execution. The primary objective of the MSME Idea Hackathon is to provide Support for Entrepreneurial and Managerial Development of MSMEs through Incubators and to put on their thinking caps and create innovative solutions while looking out for local solutions to the local problems that could be the generation leap India needs, to transform its social, cultural and economic ecosystem into a world leader. The women of SMEC has actively participated in idea Hackathon 3.0 and submitted 103 ideas.

INTERNSHIP OFFER LETTER

Date : 14/10/2023

ID:CS07WX101036

Dear,

K . PRAVEEN SAGAR

We would like to congratulate you on being selected for the " **Web Development**" internship position with " **CodSoft**". We at **CodSoft** are excited that you will join our team.

The duration of the internship will be of **4 weeks**, starting from **15 October 2023 to 15 November 2023**. The internship is an educational opportunity for you hence the primary focus is on learning and developing new skills and gaining hands-on knowledge. We believe that you will perform all your tasks/projects.

As an intern, we expect you to perform all assigned tasks to the best of your ability and follow any lawful and reasonable instructions provided to you.

We are confident that this internship will be a valuable experience for you, we look forward to working with you and helping you achieve your career goals.

Best of Luck!

Thank You!

GUEST LECTURE ON " THE ROLE OF ETHICAL HACKING IN BLOCKCHAIN SECURITY"

ST. MARTIN'S ENGINEERING COLLEGE

UGC Autonomous
Approved by AKTE (Affiliated to JNTU-H) NAAC "A+" Accredited
12(D) & 12(B) Status (UGC) ISO 9001:2008 Certified NBA (NIRF Ranked), Accredited SIRO (DSIR)
UGC Paramarsh (Recognized Remote Center of IIT, Bombay)
Dhulapally, Secunderabad - 500100, www.smec.ac.in

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

INVITATION

We cordially invite you for a one day Guest Lecture on
"The Role of Ethical Hacking in Blockchain Security"
on 06th September, 2023 at 10:30 AM (Wednesday).

Presidential Address

Dr. P. Santosh Kumar Patra,
Group Director, St. Martin's Engineering College.

Speaker

Ms. P Vinayasee
Assistant Professor, Department of CSE
Anurag University, Hyderabad

Convener
Dr. R. Santhoshkumar
HOD-CSE

The guest lecture on "The Role of Ethical Hacking in Blockchain Security " was hosted by the Department of Computer Science and Engineering aiming to provide a common platform to all the leading Academic Scientists, Researchers, Professors and Students to exchange ideas and share their innovative views in the latest technologies in different areas like Blockchain Technologies, Artificial Intelligence, Machine Learning, Deep Learning, Data Visualizations. This guest lecture extended an inter disciplinary platform for Academicians, Researchers and other experts from various fields to discuss their novel ideas, thoughts and challenges encountered, solutions to be adopted in the emerging areas of Engineering and Technology.

INVITATION

We cordially invite you for two day
 Workshop on **"Introduction to LLM (Large Language Model) using Langchain"**
 on 06th & 07th November 2023 at 10:00 am

Presidential Address

Dr. P. Santosh Kumar Patra,
 Group Director, St. Martin's Engineering College.

Speaker

Mr. Naga Surya Chandana,
 Software Developer, Infosys,
 Hyderabad.

Convener
Dr. R. Santhoshkumar
 HOD-CSE

The Department of Computer Science and Engineering organized a Two-Day National Level Workshop on "Introduction to LLM (Large Language Model) using Langchain" on 06.11.2023 & 07.11.2023. This program was organized to exchange the ideas and share their innovative thoughts in emerging areas. The program was started by welcome address by E. Soumya, Assistant Professor followed by the address note of Dr. R. Santhoshkumar, Head of the Department. Later the Resource Person Mr. Naga Surya Chandana, Software Developer, Infosys, Hyderabad addressed all the Participants.
