ABOUT THE COLLEGE

St. Martin's Engineering College, an Autonomous Institution, situated in an eco-friendly environment, with state-of-art infrastructure. College has achieved the prestigious grade A+ from NAAC, UGC Paramarsh mentor, NBA accredited, ISO certified, DSIR Recognition, Remote center of IIT Bombay, Member of CII and MSME certified Institution. Signed more than 82 MoUs with major companies' and institutions.

Careers 360 Certified as AA+; Competition Success Review Ranked 3 out of 20; Career Connect Ranked 13 'Best Engineering Colleges of India and Wikipedia Ranked 8th in Telangana. The college is bestowed with the glorious Governor Award twice; The Engineering Educators' Award 2019; NIRDP Award (Govt. of India); IDF Best Partner Award; Dewang Mehta Award; TCS ION Award; CSI Award(Students Chapter); Best Innovation by Federation of Gujarat Industries and Street Cause-Most Dedicated Division. Best Sports College by Stumagz, Telangana, National Leadership Excellence Award- 2019 by ICCI.

The remarkable achievement by the faculty members of the college is that they have published 148+ books, 8800+ research papers, 161+ patents, 28+ copyrights and 40, 000+ international certification courses. The crowning glory in academic excellence was achieved by bagging gold medals from University every year. 138 innovative products are developed by students and faculties. SMEC has a strong vision of offering world class training to the promising engineers and Management professionals. SMEC is situated in an eco-friendly environment, the college has the best infrastructure. 100% ragging free campus.

ABOUT THE DEPARTMENT

The department of CSE has commenced right from the inception of this college in 2002 with an intake of 60 and subsequently increased its intake to 240 by 2012. The department has well equipped laboratories with latest configuration systems and updated licensed softwares were installed. The department also provides a R&D lab with an internet connection of 36 systems for staff and students to take up their research work.

The department also has a tie up with various Multi National Companies which offers training in latest technologies, placements and internships. The faculty has authored 30 books, published 74 patents and papers in SPRINGER, IEEE & SCOPUS index journals and conferences.

The department got approval with Honors degree and JNTUH affiliated research and development center.

VISION

To evolve the department of Computer Science and Engineering as a center of academic excellence with latest technologies to transform students into innovative global leaders.

MISSION

-  M1: To produce competitive graduates having creative skills and ethical values to succeed in their fields as well as the foundation for life-long learning.
-  M2: By promoting research and development activities in collaboration with reputed industries and laboratories.
-  M3: To analyze design, and develop high-quality software systems using the appropriate theory, principles, tools and processes.

PROGRAM EDUCATIONAL OBJECTIVES

-  PEO 1: To apply engineering processes and practices to software and hardware systems skillfully and efficiently.
-  PEO 2: Ability to understand and analyze engineering issues in a broader prospective with ethical responsibility.
-  PEO 3: To prepare students to fit into any industry associated with developing and implementation of software products or technologies.
-  PEO 4: To equip the graduates with ability to analyze, design and test the novel products.

GROUP DIRECTOR MESSAGE

DR. P. SANTOSH KUMAR PATRA
GROUP DIRECTOR

Dear all,

Greetings from St. Martin's Engineering College.

It is pleasure to present the newsletter of Computer Science and Engineering department for the academic year 2023-2024. It is a matter of great pride and satisfaction for 'St. MARTIN'S ENGINEERING COLLEGE (AUTONOMOUS)' to bring out the newsletter 'CONFIGURATION' released from the Department of Computer Science and Engineering. The college has made a tremendous progress in all areas academic, non-academics, capacity building relevant to staff and students. The college has achieved another milestone in getting NBA (National Board of Accreditation), NAAC A+, AUTONOMOUS, NIRF, ARIIA. I am confident that this issue of department newsletter will send a positive signal to the staff, students and the people who are interested in the technical education and technology based activities.

A newsletter is like a mirror which reflects the clear picture of all sorts of activities carried out by a department and develops writing skills among students in particular and teaching faculty in general. The ways we teach and the ways our students learn are unique and creative. Many critics would confirm that the college has substantially contributed to the process of national development by providing quality education and thereby enabling the students to become globally competent engineers.

I congratulate the editorial board and designer board of this newsletter who have played wonderful roles in accomplishing the tasks in record time. I express my appreciation to Dr. R. Santhoshkumar, HOD/CSE under whose guidance this technical work has been carried out and completed within the stipulated time. We have excelled in every initiative that we undertook and we have stood together in facing the challenges in realizing the quality education. I also convey my heartfelt congratulations to staff members and students for their fruitful efforts.

PRINCIPAL MESSAGE

Dr. M. SRINIVAS RAO
Principal

As we embark on a new year filled with promise and potential, I extend a warm welcome to each of you by our Newsletter - "Configuration". The Department of Computer Science and Engineering's journey towards excellence in education continues. I am thrilled to witness the dedication and enthusiasm that our students, staff, and parents bring to our learning community. As we navigate the challenges and celebrate the triumphs ahead, let us remain steadfast in our commitment to fostering a nurturing and innovative environment where every individual can thrive. Let's embrace the opportunities for growth, collaboration, and success this year holds. Thank you for your unwavering support, and I look forward to another year of inspiring achievements.

HOD MESSAGE

**Dr. R. Santhoshkumar,
Associate Professor & HOD,
Department of CSE,
SMEC**

I am very pleased to note that our department's newsletter "CONFIGURATION" is appreciated very well. The newsletter invites a wider readership to the institution. My heartfelt congratulations to the designer team and editorial team. The academic year of 2023-24 has been full of exciting activities for the students and faculty members in the department of Computer Science and Engineering at St. Martin's Engineering College (Autonomous).

The name and fame of the department and the institution depend on the calibre and achievements of the students and faculty members. We continued to excel in teaching, research, and service activities. We also published a good number of quality papers in high-impact factor international journals, performed good consultancy work, and were also involved in joint collaborative projects to strengthen research in diverse areas. I wish to record my hearty congratulations to those who have brought laurels to the department, appreciate all of you for working together as a team. Let this newsletter be a forum to exhibit the potential of students and faculty members with their literary skills and innovative ideas.

This newsletter will encompass all important events and activities of our department. Additionally, it also provides a platform to recognize and congratulate our department's achievers. Exploring hidden talents from the students' side and providing remarkable insights into the world of technology has been the main motive behind the newsletter. We feel extremely privileged to provide a platform where our students can present not just their artistic flair but also their technical quotient.

Thereby I encourage all the students to actively participate and contribute to our very own newsletter. I hope this initiative builds teamwork and inspires young minds by providing larger visibility and dimension to our department. I hope this culture of releasing newsletter continues forever.

Dr. G. JawaherlalNehru
Associate Professor

Dr. G. JawaherlalNehru, is currently working as an Associate Professor, Department of Computer Science and Engineering in St. Martin's Engineering College, Dhulapally, Secunderabad, Telangana. Since April 2021. In 2009 he received B.E degree in Computer Science and Engineering from Maharaja Engineering College, Coimbatore affiliated to Anna University Chennai, Tamil Nadu. In 2014 and added another feather to his cap by completing M.E in Computer Science and Engineering from College of Engineering, Anna University, Guindy Campus, Chennai, Tamil Nadu. In 2020 he has successfully completed and awarded his Ph.D., in Computer Science and Engineering from Annamalai University, Annamalainagar, Chidambaram, Tamil Nadu. The thrust area of research includes Speech and Signal Processing, Artificial Intelligence, Computer Networks, Distributed systems, Deep Learning, Internet of Things. He has the credit of publishing 35 research papers in pre reviewed reputed international journals and attending 30 National and International Conferences and published 15 patents. Besides, the academic pursuit including of training the young aspirants on Python Programming with Deep Learning concepts, in useful tools with basic software. His total experience in teaching and research experience is 7 years.

Member Number: 371402

IAENG is a non-profit international association for the engineers and the computer scientists. IAENG has been found by a group of engineers and computer scientists from over thirty different countries. Our goals are to promote the co-operation between the professionals in various fields of the engineering and to cultivate an environment for the advance and development of the technology. Our objectives include:

- Promoting the interactions between the engineers;
- Advancing the application of engineering techniques from the academics to the industry;
- Facilitating the exchange of information and ideas among the engineers and scientists freely.

This letter is to certify that the above person is an IAENG member. For the information about IAENG Membership, please visit our website <http://www.iaeng.org/membership.html>

Letter of Appreciation

On behalf of IICSA-Institution's Innovation Club of St. Ann's expressing gratitude to **Dr. R. Santhoshkumar**, Associate Professor, St. Martin's Engineering College, for the insightful and engaging Online Workshop on "Prototype Design" on 27th May, 2024.

Thank you so much for taking time out of your busy schedule to share your expertise with our students. The students gained valuable insights on Importance of Product prototype development and types of Prototypes. Your Session served as an impactful invaluable platform for fostering knowledge exchange and the exploration on prototype Design.

Your presentation on "Prototype Design" with Illustrations was received very well by our audience. Again, our sincere thanks for supporting this important career awareness activity. It was an absolute pleasure working with you, and we look forward to collaborate again in the future.

CONGRATULATIONS

Jyothi Nandhan Repaka - 21K81A05J3 from CSE III C have been completed his ACM Summer School organised by IIT Madras during 2-06-2024 to 15-06-2024. All over India only 50 members were selected and he is the one among them. This school was based on Responsible and safe AI which was hosted at IIT Madras by Professor Dr. Ponnurangam Kumaraguru-(IIT Hyderabad) and Professor Dr. Ravindhran from IIT Madras. This event was sponsored by famous research labs like Cerai lab(IITM), RBCDSAI(IITM), precg lab(IIITH) under ACM India Council. There were many talks given by great professors from IITM and speakers from Cambridge-(David Kruger), MIT-(Stephen Casper), CMU also who interacted online with us.

NAMASTE TELANGANA NEWSPAPER ABOUT ST MARTIN'S ENGINEERING COLLEGE

St.Martin's Engineering College successfully conducted A National Level Innovation Competition, the project expo "TECHNOVATION-2024" on 27th March 2024 at college campus by connecting various colleges and allowed the students to showcase their talents.

The specific objective of the TECHNOVATION-2024 is to provide a platform to present the innovative ideas and approaches in design, analysis, and development in all engineering disciplines. The Projects were evaluated by professionals from industry and eminent academicians.

This Technical fest enhances the practical aspects of real-world engineering applications. In order to encourage innovation, St. Martin's Engineering College has taken the initiation to reward talent. The Expo has been very much useful to students to understand and get exposed to the developments and trends in different engineering disciplines. The best projects were awarded attractive prizes and all the participants were offered participation certificates.

The College Chairman Sri M Laxman Reddy Garu, Executive Director Sri.G.Chandrasekhar Yadav Garu and the Professor & Group Director, Dr.P.Santosh Kumar Patra sir visited the project expo and appreciated the participated students for exhibiting their innovative skills through their projects.

CELEBRATIONS REPUBLIC DAY

75th Republic Day Celebrations at St. Martin's Engineering College

The 75th Republic Day was celebrated with an abundance of patriotism and happiness by the Management, Staff, and Students of St. Martin's Engineering College. The national flag was hoisted by the Chairman, Sri M Laxman Reddy Garu. The Executive Director, Sri G. Chandra Sekhar Yadav Garu, and Group Director, Dr. P. Santosh Kumar Patra, were also present during the flag hoisting. All the staff members attended the auspicious occasion with a deep sense of respect and experienced national fervor.

The chairman urged everyone to contribute to Nation building by maintaining good health so that we can build a strong Nation. Our Group Director, Dr. P. Santosh Kumar Patra Sir, stressed the importance of maintaining positivity and also emphasized the need to be physically active. We must take a pledge that we should work for the development of our country by educating more people and raise the standards of our education system to reach international recruitment. We should also instill into our children good qualities such as charity, decorum, and respecting elders.

On this occasion, the group director recalled the pivotal role of Sardar Vallabhai Patel in uniting India as a single nation in terms of Gujarat and Hyderabad states joining the Indian nation after independence.
