

# St. Martin's Engineering College

Dhulapally, Secunderabad-500100

## Training & Placement Cell

OPENTEXT INVITE CAMPUS 2020 Batch

Good Morning!

We would like to evaluate your college students for internship opportunities at OpenText and are interested to consider people who have an aggregate of 70% marks in 10<sup>th</sup>, 12<sup>th</sup> and current semester in B.Tech(CSE/IT/ECE)

It will be ideal if you can share a list of students interested in this opportunity post the placement cell circulating details about our organization & the opportunity within your student community.

### Internship details:

- Job Title – Engineering Intern
- Internship duration – 6 months
- Location – Hyderabad/Bangalore
- Stipend – Rs. 15,000 per month
- Benefits – free transport

Depending on business requirements for fulltime opportunities, the existing pool of interns internally will be informed about these roles and they will be accordingly assessed on basis of their monthly online coding test & project manager scores

Post qualifying via assessments & interviews conducted with the respective business unit, the intern has the opportunity to become a fulltime employee.

### FTE offer details:

- Job Title – Software Engineer
- CTC – INR 6,82,000 LPA (6,20,000 base CTC + 10% var) + benefits
- Benefits include
  - free transport
  - meal coupons
  - insurance options for self & family
  - comprehensive executive health checkup at no extra cost
  - education assistance program
  - fitness reimbursement
  - NPS & Employee Stock Purchase Plan
- Location – Hyderabad/Bangalore
